

FastTrack PUNJAB Portal

ONE PORTAL. ONE VISION. **UNLIMITED POSSIBILITIES**

 www.FastTrack.Punjab.gov.in 

» New FastTrack Punjab Portal

- Introducing new unified digital gateway for Industry and Institutional Establishments.
- Provide speed, accountability and transparency in service delivery.

All Approvals in 45 Days with Deemed Approval

- Maximum timeline for approvals capped at 45 working days.
- 83% of approvals notified for 30 days or less.
- If no decision is made within the timeline, the portal auto-generates a legally valid.
- Deemed Approval the next day.
- System-driven scrutiny, escalation up to Deputy Commissioner & Administrative Secretary.

In-Principle Approval in 3 Days under Punjab Right to Business Act

- Now applicable to projects with up to ₹125 Cr investment in plant & machinery, covering about 95% of industrial proposals including industry, IT, hospitals, hotels, and education.
- Eligible new units get In-Principle Approval for 6 key services via self-declaration in 3 working days within Industrial Parks, and for outside in 15 working days.

» Unified Regulator & FastTrack Punjab Portal

- Punjab Bureau of Investment Promotion office functions as a unified body with concurrent powers of key departments under one roof for faster decision-making.
- The FastTrack Punjab Portal ensures single-entry, single-exit for all clearances eliminating departmental overlaps.

» Revenue Feasibility Report CRO Certificate In 15 Days

- First time digital Revenue Feasibility Certificate launched by Punjab – CRO Certificate within 15 working days.
- Verifying land ownership, and siting elements – a key pre-approval for environment and construction permits.
- Eliminating manual delays and enabling faster clearance for investors.

» Accelerated Incentive Disbursement - Time-Bound Fiscal Transparency

- Punjab launches digital incentive disbursement system for faster and transparent release of incentives.
- ₹150+ crore disbursed in Q1 FY 2025–26, surpassing the combined total of the past two years.
- Target of Approx ₹250 crore by June 2025 to clear all past pending incentive claims, reflecting financial discipline.

» Plot Sub-Division Policy - Unlocking Land Potential

- New policy allows easy sub-division of industrial plots for families, co-developers, and joint ventures.
- Enabling flexible land use for redevelopment or monetization, boosting brownfield investments.
- Clear timelines, eligibility, and safeguards to ensure transparency.

» Leasehold to Freehold Conversion- Enhancing Property Rights

- Punjab allows leasehold to freehold conversion through a transparent and structured framework.
- Boosting asset marketability and access to finance, enabling easier expansion and transfer.
- Granting full legal ownership to businesses, removing need for repeated approvals.

Compliance Self Certification Online >>

- Fire NOC now valid for 1/3/5 years basis risk classification.
- Height limit for industrial buildings increased to 21m.
- Occupiers can self-certify compliance online.
- Fire drawings schemes made by Empaneled architects now accepted by the Department.
- 53-point checklist eliminated.

Conversion Policy for High - Value Development

- 10 land use categories for individual industrial plots developments permitted (like IT, hotel, hospital, institute, commercial, industrial park etc.)
- Clear norms for plot size and road width defined; 80 ft for most and 100 ft for commercial/ industrial parks.

Flexibility in Building Plan Verification & Building Stability Certificate for factories

- Self-certification of structural safety of factory buildings under the Factory Act, 1948.
- Redundant inspections removed.
- Digital records and professional validation.

Overhauling of all 52 Focal Points by November 2025

- ₹ 200 Cr budget allocated.
- Bridging key infrastructure gaps in power, water, roads, drainage, and digital access.
- A new industrial park maintenance model in partnership with industry to be launched soon.

260 Industrial Plots Auctioned - First Time in 24 Months

- Boosting project grounding and fresh investments, unlocking growth across the state.
